The ACTRA Short Film Festival 2023

The ACTRA Montreal Short Film Festival, or the “ACTRA Shorts Fest,” is an annual film screening and awards show spearheaded by the ACTRA Montreal Young Emerging Artists’ Assembly (YEAA) Committee. The Festival takes place at a local venue each year and aims to promote independent and member-initiated film-making.

The Shorts Fest challenges ACTRA members to create a captivating and visually-appealing film in under 10 minutes. After the date of submission, a selection committee judges and selects a limited number of short films and puts on a screening at a local venue for the ACTRA Montreal membership to enjoy, together. The screening is followed by an awards presentation show where performers and crew receive prizes and recognition.

For the 2023 Festival, we will be presenting six (6) awards:

- Best Film
- Best Directing
- Best Performance in a Leading Role
- Best Performance in a Supporting Role
- Best Cinematography
- People’s Choice Award

We are asking for sponsors to support the awards portion of our Film Festival. As a prize, for example, you could sponsor a laptop or free improv classes for one of our winners.

A creative catalyst for emerging artists and filmmakers.
